

Swedetown Chalet Public Comment Session

Tuesday June 27 from noon to 2 pm

At the Swedetown Chalet in Calumet

All STC members and public welcome

The Swedetown Chalet is now 25 years old and it is time to make improvements. Drop in anytime to learn some of the needs and see possible designs. We welcome your input and observations!

More space is needed plus the Chalet needs layout changes to provide universal access! Representatives from Calumet Township, UP Engineers & Architects and Swedetown Trails Club will be on hand to provide information and hear your input!

As partner to Calumet Township, **Swedetown Trails Club** supports ski, bike, run, hike and snowshoe trails at Swedetown Recreation area in Calumet. www.swedetowntrails.org
