Join us at the Swedetown Trails Spruce Street trailhead in Calumet (turn off Osceola Road onto Spruce to Great Bear Chase stadium).

Calumet Township welcomes a representative from the Michigan Department of Natural Resources to dedicate land added to the Swedetown Recreation Area. A grant from the Michigan Natural Resources Trust Fund made the land purchases possible, adding about 40 acres in two parcels that provide event space at a new trailhead and add to hiking, biking and winter nonmotorized trails. Swedetown Trails Club will offer a guided hike and a group bike ride following the dedication.
