

SWEDETOWN WINTER TRAILS DAY

February 4th, 2024
Sunday: noon to 4 p.m.

Free all-day pass for skiing, snowshoeing and snow biking. After your snow adventures, enjoy some refreshments at the Swedetown Chalet.

Get out into the snowy woods! We have gear to try. Come to Swedetown to try cross country skis or a snow bike! Or try snowshoes or Hok skis that fit over your winter boots!

Welcome to the cool Atomic representative! Atomic outdoor gear vendor will bring Gen S skate skis and new classic skis with skins. Take a look and try the demo gear.

SitSki Demo provided by Equipment Loans of the Keweenaw (ELK) which loans adaptive recreational equipment. Try one out!

First come, first served. Come to Swedetown Chalet for rental and demo equipment to try, as available, from noon to 4 p.m.

Much thanks to our event co-sponsor Cross Country Sports of Calumet for providing expert staff and gear! On this Trails Day, the skis, fat bikes and other gear are at the Swedetown Chalet.

First visit to Swedetown? Swedetown Trails Club members will be on hand to suggest what trails to explore for skiing or snowshoeing and for trying out a demo snow bike.
